My Heart Went Do Dat Da

Barbara Lewis

Here you'll come my darling
Down upon your knees
You're begging forgiveness
But you won't get it for me.I'm returning the favor
That you gave me a long ago
And darling touches me
Darling getting open and go.I know that you're hurting
And I'm sad but still I'm glad
That you are feeling
That feeling I once had.
So, so long farewell
You'll get used to go pain
And when it so long
And you'll trying once again.
