

Keep Searchin' (We'll Follow The Sun)

[Del Shannon](#)

No one will understand what I've gotta do
I've gotta find a place to hide with my baby by my side
She's been hurt so much, they treat her mean and cruel
They try to keep us far apart, there's only one thing left we can do
We gotta keep searchin', searchin', find a
place to hide
Searchin', searchin', she'll be by my side
If we gotta keep on the run, we'll follow the sun-ah, wee-oooh
Follow the sun-ah, wee-oooh
Doesn't matter, doesn't matter what people might say
She's mine and I'm gonna take her anyway
Gotta keep searchin', searchin', find a place to stay
Searchin', searchin', every night and day
If we gotta keep on the run, we'll follow the sun-ah, wee-oooh
Follow the sun-ah, wee-oooh
