

Broken Down Angel (BBC Sessions)

Nazareth

She used to be someone you could depend on
To brighten up your coldest winter day
But the one she leaned upon
Let her down, now has moved on
And morning brings another empty day
Now she's only a broken down angel
She's only a bird that's broke her wing
She's only someone, someone who's gone wrong
She's only a child that's lost her way
She used to be a girl of simple pleasures
A breath of spring to chase your blues away
But now she bears a cross, for a love that she has lost
No sunshine in her life just clouds of gray
Now she's only a broken down angel
She's only a bird that's broke her wing
She's only someone, someone who's gone wrong
She's only a child that's lost her way
She's only a broken down angel
She's only a bird that's broke her wing
She's only someone, someone who's gone wrong
She's only a child that's lost her way
Now she's only a broken down angel
She's only a bird that's broke her wing
She's only someone, someone who's gone wrong
She's only a child that's lost her way
