Disappointment

Teardown

Disappointment you shouldn't have done
You couldn't have done
You shouldn't have done
The things you did then
And we could've been happy
What a piteous thing, a hideous thing
Was tainted by the rest
But it won't get any harder
And I hope you'll find your way again
And it won't get any higher
But it all boils down to what you did then
In the night we fight, I lied you're right
It was exactly then
I decided
And drew you out
In the night we fight, I lied you're right
It was exactly there
I decided
But it won't be any harder
And I hope you'll find you way again
And it won't get any higher
But it over boils down to what you did then
Disappointment
