Not The Kind

Hear'say

Mmm, oh, oh
Do, do, do, do, do, mmm
Oh, c'mon, c'mon now
Do, do, do, do, do, do, yeah
When I'm away from you
I think about the things you do
And every single day
I hope that love will stay this way
When I'm alone I just worry about you
It shouldn't matter if I'm with or without you
Everybody wants to have a boy like you
And there's not a single guy who doesn't look at you
You're so fine
You're so kind
Can't believe
That you're mine
Heaven sent me love like you
Well, I'm not the kind of girl who will play around
Well, I'm not the kind of guy who will let you down
So you're not that kind of guy
So you're not that kind of girl
We're good when we're together
But it's hard when we're apart
Yeah, yeah, yeah, yeah, yeah, yeah
Do, do, do, do, do
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Do, do, do, do, do, do, yeah
I'm not the jealous kind
But you've been playing with my mind
In every single way, I think about you every day
When I'm alone I just worry about you
You say you love me boy so why should I doubt you
Everybody wants to have a boy like you
(Oh, yeah)
And there's not a single guy who doesn't look at you
You're so fine
You're so kind
Can't believe
That you're mine

Heaven sent me love like you
Well, I'm not the kind of girl who will play around
(Oh, no, no, no)
Well, I'm not the kind of guy who will let you down
So you're not that kind of guy
(So you're not, so)
So you're not that kind of girl
(Ooh)
We're good when we're together
But it's hard when we're apart
Yeah, yeah, yeah, yeah, yeah, yeah
(Yeah)
Do, do, do, do, do, mmm
(Oh)
Do, do, do, do, do, do, yeah
Listen to your heart
There's no mistaking
Listen to your heart
You'll find the truth
(Oh, c'mon)
Listen to your heart
When life is breaking
(When life is breaking, yeah, oh)
Every single answer
Is right there inside of you
Well, I'm not the kind of girl who will play around
(Play 'round)
Well, I'm not the kind of guy who will let you down
(C'mon now)
So you're not that kind of guy
(So)
So you're not that kind of girl
(Oh)
We're good when we're together
But it's hard when we're apart
Mmm
(Oh, yeah, yeah, yeah)
Do, do, do, do, do
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Do, do, do, do, do, do, yeah
(Oh yeah)
Well I'm not that kind of girl
(Mmm, gotta tell it to me, baby)
Well I'm not that kind of guy
(Yeah, yeah, yeah, yeah, yeah)

So you're not that kind of guy
So you're not that kind of girl
(Oh)
We're good when we're together
But it's hard when we're apart, yeah
(Oh, yeah)
Do, do, do, do, do, do, do, ooh
We're good when we're together
But it's hard when we're apart, yeah
