

Showroom Dummies (2009 Digital Remaster)

Kraftwerk

Eins Zwei Drei Vier

We are standing here

Exposing ourselves We are showroom dummies

We are showroom dummies We're being watched

and we feel our pulse We are showroom dummies

We are showroom dummies We look around

and change our pose We are showroom dummies

We are showroom dummies We start to move

And we break the glass We are showroom dummies

We are showroom dummies We step out

And take a walk through the city We are showroom dummies

We are showroom dummies We go into a club

And there we start to dance We are showroom dummies

We are showroom dummies

We are showroom dummies
