

# Wedding Song

**Zain Bhikha**

Today you become man and wife fulfilling the sunnah as way of life

Today you find serenity may your life be filled with sencerity

There is no happier day in your life than the virtue of being man and wife, there's joy without any end Allahs  
blessing on this day does decend...decend..

Nikkahon mubarakon...mubarakon.... zawajoon mubarakon....mubarakon

Al nikkahon min sunnahty... ma kallu al nabi wa sahee... nikkahon mubarakon
