

# In Your Eyes

## Hillsong Young & Free

Skylines and crowded streets  
Calling my attention  
The limelight and empty dreams  
Grieving my affections  
But there is a perfect Voice  
Waiting above the noise  
Jesus my only choice  
When all the lights are screaming

Then I  
I get lost in Your eyes  
And find the clarity to life  
The world when all the colors rage  
But I'm not gonna look away, no  
I get lost in Your eyes

I've read all the glossy guides  
To living in contentment  
I've heard all the pretty lies  
And all of them are vacant  
But You are a love unique  
My heart, my identity  
Jesus you're all I need  
And see the rest is nothing
