Make Us One

Cindy Morgan

Children below, fresh from the fold
Hands beneath the moonlight, Lord, please make us one
We hear the tide roar through the night
Come lead the weary, Lord, please make us oneChildren rejoice, come to the voice
Song of the Angels, healing the broken ones
Seasons array, there goes the one
Lead to the fountain, wash and make us oneOur hearts rejoice, if Thy voice
Makes us greater, Lord, please make us one
Light in the sky, forever high
Unite the rainbow, Lord, please make us one
Makes us greater, Lord, please make us one
