Shaken Not Stirred

Professor Fresh

Don't you know
This is the life I choose
I sacrificed so much
But I won't for you

Slow and cold
You turn away
You can't bear to look at me
But can't you see
I'd rather be hated for what I've done
Than not known for anything

I'll never leave any of my dreams
Just for you, you
Can't you see I'll give everything I have
To say I made it right to your face

Break me down, shake me up
(Up,up)
I've had enough
Finally I see
(You)
Tear it down, turn this up
(Up,up)
You've had enough
Were in control
That's just the way that it goes

I'm calling the shots
I'm calling you out
I call the shots
Whether you like it or not

I'll never leave all that I believe
Just for you, you
Can't you see I'll give everything I have
To say I made it and watch you fade

Break me down, shake me up
(Up,up)

I've had enough
Finally I see
(You)
Tear it down, turn this up
(Up,up)
You've had enough
Were in control
That's just the way that it goes

I've fell down.
I've bled out.
I've made my mistakes.
I fought all in my way just to get here today.
So if you think I give a shit what you say,
Listen to me stay the fuck out of my way.

Break me down, shake me up
(Up,up)
I've had enough
Finally I see

Break me down, shake me up
(Up,up)
I've had enough
Finally I see
(You)
Tear it down, turn this up
(Up,up)
You've had enough
Were in control
That's just the way that it goes
