Mean Blues

Mean Blues

Mean blues feel this is the end for me
Mean blues feel this is the end for me
Cruel world pullin' me down
Is making it hard tomorrow to see

Three days I haven't heard from my girl
I know somethin' is wrong
Three days I haven't heard from my girl
I know somethin' is wrong
She left me for another
there's a hole now where my heart belongs

There's no use for me searching
I have to let her go
Ooooh! There's no use for me searching
I have to let her go
there's nothing for her to come back to
Mean blues got me sinking too low

Drowned my sorrows with a bottle
I'm gonna lose my mind
Drowned my sorrows with a bottle
I'm gonna lose my mind
Think and drink, drank the bottom of the East River
That's where my heartache feels fine.
