Andrew Lloyd Webber

Who are you, where are you taking me?
I'm Miss Fleck
The Mighty Squelch
Doctor Gangle
At your service
And his Come along and follow us, come and follow faster
Come along and follow us, come and meet the master
Hurry up and follow us, hurry if you care to
Soon the dark will swallow us, follow if you dare to Is this where Mr. Y lives?
This is where he works
Step lively, child
He is waiting What is this place?
This is my realm, illusion's domain
Where music and beauty and art are first rate
Go look around while I finish my work May I?
Does the young Vicomte play?
What's this?
Just a song in my head
Go on I think it's beautiful
Beautiful, beautiful notes
Beautiful, beautiful sounds
Don't you agree?
It's beautiful This boy
So very beautiful
This music
Music that comes on control He plays like me
Floating and lovely and bold
He's just 10 years old
10 years old
My God, my God
