

I'd Be Ashamed (Remastered)

Wanda Jackson

Well I picked up the phone to give you a call
Let it ring but no one answered at all
I guess you were out with someone new
Did you forget I had a date with you
Ah ah ah oh yeah I'd be ashamed You're a little heartbreaker and you seem proud of it
Breaking hearts right left and you seem to just love it
Now don't you know it's not the same to do
Don't you know it might happen to you
Ah ah ah oh yeah I'd be ashamed Well I'd be ashamed for making me cry
I'd be ashamed for telling all the lies
But don't you know you can't play that game
Ah ah ah oh yeah I'd be ashamed You don't love me at all, you don't care if you show it
But I'm so much in love I don't care who knows it
You don't love me and it's plain to see
You're just a making a fool of me
Ah ah ah oh yeah I'd be ashamed Someday true love may come your way
But by then it might be a little too late
But they might leave you by yourself
They might leave you settin' on the shelf
Ah ah ah oh yeah I'd be ashamed Well I'd be ashamed
Ah ah ah oh yeah I'd be ashamed
