

# The Night, The Wine & the Roses

## Liquid Gold

(Ooohoooh, yeah, yeah, yeah)

(Ooohoooh, baby)

Oooh yeah  
Ooohoooh, baby  
(Baby, keep dancing)

What a night this may be, the kind of night when, baby  
It feels so right  
Right to keep dancin'

Without a doubt we're chasin' the action now, we're waitin'  
For the midnight hour  
Got to keep dancin', here and now!

The night, the wine and the roses (and the roses)  
There's love in the air  
We're chancin', romancin'  
The night, the wine and the roses (and the roses)  
Baby, I swear  
I want you (Yeah, yeah, yeah)

I never knew this feeling, I'm in the mood for stealing  
Away with you  
Got to keep dancin'

(Ooohoooh, yeah, yeah, yeah)  
(Ooohoooh, yeah, yeah, yeah)

Baby, keep dancin'  
Here and now

The night, the wine and the roses (and the roses)  
There's love in the air  
We're chancin', romancin'  
The night, the wine and the roses (and the roses)  
Baby, I swear  
I want you (yeah, yeah, yeah)

Baby, keep dancin'  
(D-d-d-d-d) dancin'

The night, the wine and the roses (and the roses)  
There's love in the air  
We're chancin', romancin'  
The night, the wine and the roses (and the roses)  
Baby, I swear  
I want you (yeah, yeah, yeah)

The night, the wine and the roses (and the roses)  
There's love in the air  
We're chancin', romance

(And the roses, ooohoooh, yeah, yeah, yeah)

(And the roses)
