Unforgettable (feat. Shaggy)

Charlie Wilson

[Intro: Shaggy]
Sailing on the tropical seas
Enjoying the trees and the breeze
Uncle Charlie! Shaggy!!!
Unforgettable, you got me like that
Give it to ya, you give it right back
Unforgettable, you got me like that
You got me like that, I know you like that[Verse 1: Charlie Wilson]
I could spell it to you forever
I don't want to miss a thing
In your arms I will surrender
You're my one and everything[Pre-Chorus: Charlie Wilson]
Love's in the air, this beautiful light
Caviar kisses, champagne on ice
Let down your hair, don't cover both eyes
Oh, baby, it's clear to see that[Chorus: Charlie Wilson]
You are perfectly unforgettable
Priceless masterpiece, indescribable
You are perfectly unforgettable
Unforgettable-oh-oh-oooh
Unforgettable-oh-oh-oooh[Verse 2: Charlie Wilson]
Heaven brought us close together
Your love satisfies my soul
Have no fear, I'm no pretender
Shades of gray you'll never know[Pre-Chorus] + [Chorus][Verse 3: Shaggy]
Ya know you love me, your love is like
Incredible because you take me to a higher height
Hold ya up, stay on yo case, often squeeze you tight
Ya know I need ya by my side each and every night
She tell me things she can't live without her baby
And she says she wanna cuddle underneath me
I thank the father for the gift that He gave me
Sweetneed, your are the touch that drives me crazy
She's unforgettable![Chorus] x2[Bridge: Shaggy]
Unforgettable, unforgettable, oh!
Unforgettable, unforgettable, oh!
Unforgettable, unforgettable, oh!
Unforgettable-oh-oh-oooh
