Nice Dream

Radiohead

They love me like I was their brother
They protect me
Listen to me
They dug me my very own garden
Gave me sunshine
Made me happy
Nice dream
Nice dream
Nice dreamI call up my friend the good angel
But she's out with
Her answer-phone
She says she'd love to come help but
The sea would
Electrocute us all
Nice dream
Nice dream
Nice dream
Nice dreamNice dream
Nice dream
Nice dream, if you think that you're strong enough
Nice dream, if you think you belong enough
Nice dream, if you think that you're strong enough
Nice dream, if you think you belong enoughNow come home
Now come home
Now come home
Now come home
