

Girl It's Over

Jagged Edge

Baby you can leave, you can leave, you can leave
'Cause I've been tired of you, even you tired of me
Don't forget one thing, thing
Drop, drop those keys 'Cause I'm not trying to hold you back
So go ahead with all of that
And if you really wanna go, you can go You already know there's the door, there's the door
It's too bad if you're not for sure, not for sure
'Cause I ain't wanna do it like this
But I'm losing every ounce of self control You're just too scandalous
You couldn't handle this
Give me back my rings
Give me back my things
Yeah oh no, girl Oh, you kept listening to them haters
So here's your walking papers
Girl this is over
Give me my things back You can keep the headaches
Just give me my keys back
You ain't gotta lie no more
Give me my keys back, yeah
We ain't seeing eye to eye, no more Just give me my CDs
You can keep the movies
Ain't no need to call me
I'm movin' on completely
You ain't gotta lie no more
We ain't seeing eye to eye, no more
No more, no more If I thought it was me, it was me, it was me
Then I'd be down on my knees sayin', "Girl don't you leave"
But I know that I've done gave it all I got, all I got
I damn near done broke my back
So go ahead with all of that 'Cause if you really, really wanna know
Why I prefer that you just pack your things and go
I tried everything girl
All I got was pain girl
We both know that we need to be through, yeah You're just too scandalous
You couldn't handle this
Give me back my rings
Give me back my things
It's over You kept listening to them haters
So here's your walkin' papers

Girl this is over
Give me my things back You can keep the headaches
Just give me my keys back
You ain't gotta lie no more
We ain't seeing eye to eye, no more Just give me my CDs
You can keep the movies
Ain't no need to call me
I'm movin' on completely
We ain't seeing eye to eye, no more
No more, no more I really gotta change my life
'Cause I'm tired of living like this
It seems like all we do is fight
Real love just ain't like this
Can't stay not another night
But you know you're gonna miss my kiss I hope you have a good life
'Cause I gotta say bye bye
I really gotta change my life
'Cause I'm tired of living like this It seems like all we do is fight
Real love just ain't like this
Can't stay not another night
But you know you're gonna miss my kiss
I hope you have a good life
We gotta say bye bye bye Give me my things back
You can keep the headaches
Just give me my keys back
You ain't gotta lie no more We ain't seeing eye to eye, no more
Just give me my CDs
You can keep the movies
Ain't no need to call me I'm movin' on completely
You ain't gotta lie no more
We ain't seeing eye to eye, no more Pack your bags, get your things
I can't do it, gotta leave yeah
No more, no more, bye bye Give me my things back
You can keep the headaches
Just give me my keys back
You ain't gotta lie no more
We ain't seeing eye to eye, no more Fade me out, fade me out, fade me out now
Fade me out, fade me out, fade me out, now
Fade me out, fade me out, fade me out, now
