

# Long Train Running

[StimmZoo](#)

Down around the corner  
Half a mile from here  
See them long trains run  
And you watch them disappearWithout love  
Where would you be now?  
Without loveYou know I saw Miss Lucy  
Down along the tracks  
She lost her home and her family  
And she won't be coming backWithout love  
Where would you be right now?  
Without loveWell the Illinois Central  
And the Southern Central freight  
Gotta keep on pushing mama  
You know they're running lateWithout love  
Where would you be now?  
Without loveWell the pistons keep on turning  
And the wheels go 'round and 'round  
And the steel rails are cold and hard  
For the miles that they go downWithout love  
Where would you be now?  
Without love  
Where would you be now?Baby, baby, baby, baby  
Won't you move it down?  
I gotta keep on moving  
Gotta keep on movingWithout love  
Where would you be now?  
Without loveBaby, baby, baby, baby  
Won't you move it down  
I gotta keep on moving  
Gotta keep on movingWithout love  
Where would you be now?  
Without loveBaby, baby, baby, baby  
Won't you move it down?  
I gotta keep on moving  
Gotta keep on movingWithout love  
Where would you be now?
