

# Singing In My Sleep

## Semisonic

Got your tape and it changed my mind  
Heard your voice in between the lines  
Come around from another time  
Where nobody ever goes All alone on the overpass  
Wired and phoned to a heart of glass  
Now I'm falling in love too fast  
With you or the songs you chose And all the stars, play for me  
Say the promise you long to keep I can hear you sing it to me in my sleep  
I can hear you sing it to me in my sleep I've been living in your cassette  
It's the modern equivalent  
Singin' up to a Capulet  
On a balcony in your mind In the city, the lion sleeps  
Pray to Sony, my soul to keep  
Were you ever so bright and sweet?  
Did you ever look so nice? And all the sounds dream for me I can hear you sing it to me in my sleep  
I can hear you sing it to me in my sleep  
I can hear you sing it to me in my sleep  
I can hear you sing it to me in my sleep And all the sounds dream for me  
Dive me down in a soul so deep I can hear you sing it to me in my sleep  
I can hear you sing it to me in my sleep  
I can hear you, I can hear you  
I can hear you sing it to me in my  
I can hear you sing it to me in my sleep Aha, aha, aha
