Lady Sovereign

S O VI got you dancing
Got you doing, d-doing it, yeah
I got you dancing
Got you doing, d-doing it, yeah I got you dancing

Do it freestyle, mix the tango fannang
Go, so slim, very under aged So move from the bar to the floor
You lot do it, do it, do it, do it raw
Do it in time to my metaphor
There's that dude that I met before Oi, do it like be distorted
Telephone him up real high, yeah, sorted
Tell a little lies, what bear little porkies
If it's all clear, all clear to ignore me I got you dancing
I got you dancing
(Show me what you got)
Doing it, d-doing it
Doing it, d-doing it I got you dancing
Got you doing, d-doing it, yeah
I got you dancing
Got you doing, d-doing it, yeah I got you dancing
Got you doing, d-doing it, yeah
I got you dancing
Got you doing, d-doing it I never quite heard of a girl
Who could do it like this
You ain't never heard of a girl
That could do it like this, do it like this I never quite heard of a girl
Who could do it like this
You ain't never heard of a girl
That could do it like this, do it like this Think twice before I break dance
Might fall on my ass and break my arms, woop
Give my micro stand a chance
I don't cha cha or dance with the stars I was kicking back in ogulin
Tipping my toes in tin while you were pogaling
You never can be crumping a dime

Then I'm on stage with my music Pumping, thumping, jumping, jumping
Jumping to the ring and do ya tin
By Lady Sovereign bring a tingaling tingaling
Tingaling, tingaling, tingaling I got you dancing
Got you doing, d-doing it, yeah
I got you dancing
Got you doing, d-doing it, yeah I got you dancing
Got you doing, d-doing it, yeah
I got you dancing
Got you doing, d-doing it, yeah I never quite heard of a girl
Who could do it like this
You ain't never heard of a girl
That could do it like this, do it like this I never quite heard of a girl
Who could do it like this
You ain't never heard of a girl
That could do it like this, do it like this You wanna dance
I bet you do, I bet you do, I bet you do
You wanna move, yeah
I bet you do, I bet you do, I bet you do You wanna drink, yes
