Musta Had a Good Time

Parmalee

Hey yall, is that my dog up on the roof
Good gawd, why's my car out it the pool
All i member was a phone call, now the party's on, somebody knocking at my door
I don't know what the hell went on round here last night

Now i'm picking up beer cans, what a mess, oh man who's that passed out in the yard
All that's left in fire pit is one of my lawn chairs and a piece of siding off my barn
Somebody doing donuts must a hit the mailbox cause it's laying out there in the road
There's a flood in the bathroom, a hog in the kitchen, a dude on my couch with a bloody nose
I don't know what the hell went on round here last night
But we musta had a good time

Hey yall, why's my bed not in my room
Good gawd, how did my face get back and blue
All i member was bring it on, pour it strong and all the girls getting down

Now i'm picking up beer cans, what a mess, oh man who's that passed out in the yard
All that's left in fire pit is one of my lawn chairs and a piece of siding off my barn
I guess we used to table top for a game of beer pong, and the back porch for a dance floor
Somebody took the shower rod turned it to a strip pole, man there's a hole punched through my door
I don't know what the hell went on round here last night
But we musta had a good time

Yeah i could sure use a cold one right about now

Now i'm picking up beer cans, oh man, somebody's passed out in the yard
All that's left in fire pit is one of my lawn chairs and a piece of siding off my barn
Somebody doing donuts must a hit the mailbox cause it's laying out there in the road
There's a flood in the bathroom a hog in the kitchen, a dude on my couch with a bloody nose
I guess we used to table top for a game of beer pong, and the back porch for a dance floor
Somebody took the shower rod, turned it to a strip pole, man there's a hole punched through my door
I don't know what the hell went on round here last night
I don't know what the hell went on round here last night
But we musta had a good time
We musta had a good time
We sure had a good time
Yeah we always have a good time
