Lil' Kim

What? Here's another one
What? Uh huh uh
What? Uh, here's another one
Uh huh, uh, uhLive from NYC it's Q.B
The heavy weight champ female emcee
Girls say they different but uh, see
In all actuality they wanna be meThis chick running around with this stink ass gap
And them fake ass raps having panic attacks
You ain't a star and your record company know that
How you make all this money you just fart and blow it?I'm a business woman now so I'm not concerned
I'd bet on Lil' Cease before you and your firm
If this was back in the days I would've been snatched you
I'm getting money now, them bitches in the hood they can have youStop paying these niggas to write y'all shit
For the right cream I'd write a hot sixteen
Better be careful what you say to me
That same shit you shit, I'mma make you sniffIt's the N O T O R I O U S
You just lay down slow
It's the N O T O R I O U S
You just lay down slow
It's the N O T O R I O U S
You just lay down slow
Uh, uh huh, uh, uh
Uh, uh, uh, uhEverybody wanna Shyne off of BIG
Get it, Shyne try na sound like him when they rhyme
You ain't a murderer, nigga please come off that
I'm next up to bat motherfuckers get their jaws tappedBum ass nigga don't even know how to bust a gun ass
nigga
You dumb ass nigga
Rappers acting out the late Frank White's path
Once they get in jail they get fucked in the assNever snitch, never send a nigga to jail
I'd rather find him by a boat doing the dead man's float
We gangsters, real gangsters B
Gun in the green room up at B E TWe gangsters, real gangsters nigga
Kill you and cut the head off your babysitter
We gangsters, we gangsters bitch
Even more dangerous now we're filthy richIt's the N O T O R I O U S
You just lay down slow
It's the N O T O R I O U S
You just lay down slow

It's the N O T O R I O U S
You just lay down slowIt's the N O T O R I O U S
You just lay down slow
It's the N O T O R I O U S
You just lay down slow
Uh, uh huh, uh, uh
Uh, uh, uhThe moral of the story is this
You ain't queen bitch and you ain't big dick
Now I'm pissed niggas on some 10 percent diss
Well, shit I'mma break it down like thisLot of rappers in this game
That's cool but uh
Only one of us could rule
You see its sort of like being in schoolI'm Valedictorian y'all in the audience
And I've got nine hundred and ninety nine votes
You got nine hundred and ninety nine notesYou know bitch I'm worldwide
Can't you see?
Open your eyes
I got you by a landslideY'all mad 'cause niggas love my style
Colgate smile, I'm a bad bitch child
Cats be frontin' like they one tough cookie
All my real G's do the gangsta boogieIt's the N O T O R I O U S
You just lay down slow
It's the N O T O R I O U S
You just lay down slow
It's the N O T O R I O U S
You just lay down slow
Uh, uh huh, uh, uh
