

New

No Doubt

Don't let it go away
This feeling has got to stay
Don't let it go away
This feeling has got to stay
And I can't believe I've had this chance now
Don't let it go away, yeah
New, you're so new
You, you're new
And I never had this taste in the past
New, you're so new
My normal hesitation is gone
And I really gravitate to your will
Are you here to fetch me out?
'Cause I've never had this taste in my mouth
Oh, you're not old
And you're not familiar
Recently discovered and I'm learning about you
New, you're so new
You, you're new
And you're consuming me violently
And your reverence shamelessly tempting me
Who sent this maniac?
'Cause I never had this taste in the past
Oh, you're different
You're different from the former
Like a fresh battery I'm energized by you

Don't let it go away
This feeling has got to stay
Don't let it go away
This feeling has got to stay
And I can't believe I've had this chance now
Don't let it go away
Why am I so curious?
This territory's dangerous
I'll probably end up at the start
I'll be back in line with my broken heart
New, you're so new
You, you're new

And I never had this taste in the past
Don't let it go away
This feeling has got to stay
Don't let it go away
This feeling has got to stay
And I can't believe I've had this chance now
Don't let it go away
And I can't believe it, can't believe it
Can't believe it, can't believe it
Don't let it go away, this feeling has got to stay
Don't let it go away
New, you're so new
New, you're so new
New, you're so new
