

# Soul Francisco

**Tony Joe White**

I ain't never been to San Francisco  
But I believe a thing has happened there  
All them things I'm hearin'bout San Francisco  
And all them childrens with flowers in their hair  
Seems like everybody has got a new Bag  
Some o'them childrens seem to have some to say  
Wearin' beads and all kind of funky clothes  
And there's a thing they had in Monterey  
Was a thing Soul Francisco - Soul Francisco - Soul Francisco  
Some o'them people are wond'rin' what it's all  
about  
Don't seem to Be nobody that really knows  
But from the way that all o'them chillun are doing  
Could it be that some o'them got a little more soul  
Soul Francisco - Soul Francisco - Soul Francisco
