

Sinking Friendships

JÃ³nsi

(Now
You
Go)

We're swimming in the blue, my misfortune
Will light bring lighter blue?
My eyes are soaked all way through

We're sinking friendships
We drown more and more

I'm singing a sad tune
Is this song to you? (oh oh oh)
Is this song to you? (oh oh oh)

Wishes overdue are well saved in locks
Wishes overdue

No one knows you, till it's over
You know no one true, till it's over

Is this song to you?
Is this song to you?

My lips are pale blue
My shivering half-moon
My lost night's slowest tune
Is the end of the end of the end

We're sinking friendships
We drown more and more

I'm singing a sad tune
Is this song to you? (oh oh oh)
Is this song to you? (oh oh oh)

Wishes overdue are well saved in locks
Wishes overdue

No one knows you, till it's over

You know no one true, till it's over

No one knows you, till it's over
You know no one true, till it's over

Is this song to you?
Is this song to you?

(You
Go
Now)
