Ode to Ethan Sky

Words & Music by Chapman James

Ethan Schuyler fell upon a Cliffside
Clinging to a mountain all alone
Wicked winds cut thru, The sun he scarcely knew
Kneeling like a child without a home

Ethan Schuyler bowed to every winter
At times his limbs sheered clean beneath the ice
Many of his peers, Lay down in frozen tears
So Ethan helped them bury up their livesâ€¦ Ethan Sky

Chorus/Bridge:

When hopes are deeply sown
Faith makes roots of stone
There's more than meets the eyeâ€¦ To Ethan Sky

Ethan Schuyler spent the springs in motion
Dancing just to prove he was alive
Storms would twirl him round, But he never hit the ground
The only joy he knew was to survive

Ethan Schuyler thirsted every summer
He drew his deepest breath in desert breeze
Though scorched from day to day, He withered not away
Nothing could bring Ethan to his kneesâ€¦ Ethan Sky

Chorus/Bridge

So, Ethan Schuyler saw 500 autumns
He thanked Earth & Sky for all the pain
The shadows that he cast
Gave refuge from the past
Heâ€™s standing like a castle in the rainâ€¦ Ethan Sky
