

# New Pain (Demo Version)

## Static-X

Misdirected, I'm awakened  
Manifestes in, into my head  
I feel new pain, becoming part  
Of my every, every moment now[Chorus]  
New Pain, you told me you wanted and hated me  
New Pain, you kill me now this becomes part I'm so sure I'm, so confused I'm  
All things to you, nothing to you  
I feel new pain, in these shadows  
Of my every, every moment now[Chorus: x2] You told me that you wanted me  
You told me you hate me  
Tear for our suffering  
Told me that I'm the one  
You wanted to kill me  
And now it makes this all ugly  
Becomes part of me  
Turning into this new pain Your horse I ride, bite down hard  
And now I suffer  
My heart to my mind it burns  
Rips it hurts, it kills
