

# Bout That Life

## DJ Lucky L

Hey Shawty...  
It's a Bei Maejor thang.  
[Hook x2]She say she really bout that life,  
Party every night.  
Ahhh, Ahhh, Ahhh, Ah.  
She say she really bout that life,  
Party every night.  
Ahhh, Ahhh, Ahhh, Ah.  
You ain't bout that life, no.  
You ain't bout that life, yo.  
You ain't bout that life, nahhh nahh.  
I say we be bout that life, yo  
We be bout that life, yo.  
We be bout that life.  
Ahhh Ahhh Ahhh.  
[Verse 1]I'm body body no limits.  
I got money on money.  
I got haters on haters.  
But I got women that love me.  
I got a list full of problems.  
Prolly tend to 'em later.  
My whole team is some rages.  
And we go off like a racist.  
  
And I got chips I'm a blow.  
Bout that life I ain't fake'n  
I got rims on the car,  
Whi-Whi-Whipped like I'm bacon.  
Leave yo fear at the door.  
We go hard or go home.  
I say we major, we on.  
We go-go-go til it's gone.  
[Hook x2][Verse 2]I got no time for games,  
cause I'm just too busy winning.  
I got no time to save,  
cause I'm just too busy spending.  
We just so young and so reckless  
Carry ons, never check it.  
And they can't beat us, they join us.

Ay look I gotta respect it.  
I went from nothing to something.  
Went from pennies to millions.  
We use to chill on the porch,  
but now we up in the building.  
And if you bought it, we bought it.  
We still out when you not.  
If I don't make it tonight,  
at least I went out on top.  
[Hook x3]
