

# My Body Is a Cage

## Arcade Fire

My body is a cage that keeps me  
From dancing with the one I love  
But my mind holds the keyMy body is a cage that keeps me  
From dancing with the one I love  
But my mind holds the keyI'm standing on a stage  
Of fear and self-doubt  
It's a hollow play  
But they'll clap anywayMy body is a cage that keeps me  
From dancing with the one I love  
But my mind holds the keyYou're standing next to me  
My mind holds the keyI'm living in an age  
That calls darkness light  
Though my language is dead  
Still the shapes fill my headI'm living in an age  
Whose name I don't know  
Though the fear keeps me moving  
Still my heart beats so slowMy body is a cage that keeps me  
From dancing with the one I love  
But my mind holds the keyYou're standing next to me  
My mind holds the key  
My body is a,My body is a cage  
We take what we're given  
Just because you've forgotten  
That don't mean you're forgivenI'm living in an age  
That screams my name at night  
But when I get to the doorway  
There's no one in sightI'm living in an age  
That laughs when I'm dancing with the one I love  
But my mind holds the keyYou're standing next to me  
My mind holds the keySet my spirit free  
Set my spirit free  
Set my body free  
Set my body freeSet my spirit free  
Set my body free
