When you're ripe
You'll bleed out of control
You'll bleed out of controlWhen you're ripe
You'll bleed out of control
You'll bleed out of controlWhen you're ripe
You'll bleed out of control
You'll bleed out of controlWhen you're ripe
You'll bleed out of control
You'll bleed out of controlYou like attention
It's proof to you, you're alive
Stop parading your angles
Confused?
You'll know when you're ripeWhen you're ripe
You'll bleed out of control
You'll bleed out of controlWhen you're ripe
You'll bleed out of control
You'll bleed out of controlYou're pregnant
With all this space
Thick with honey
But I lost my tasteYou're into depression
'Cause it matches your eyes
Stop the fool to be famous
Confused?
You'll know when you're ripeWhen you're ripe
You'll bleed out of control
You'll bleed out of controlWhen you're ripe
You'll bleed out of control
You'll bleed out of controlWhen you're ripe
You'll bleed out of control
You'll bleed out of controlWhen you're ripe
You'll bleed out of control
You'll bleed out of controlYou're pregnant
With all this space
Thick with honey
But I lost my tasteWhen you're ripe
You'll bleed out of control
You'll bleed out of controlWhen you're ripe
You'll bleed out of control
You'll bleed out of controlWhen you're ripe

You'll bleed out of control
You'll bleed out of controlWhen you're ripe
You'll bleed out of control
You'll bleed out of controlYou're pregnant
With all this space
Thick with honey
But I lost my tasteYou'll bleed out of control
You'll bleed out of controlWhen you're ripe
You'll bleed out of control
You'll bleed out of controlWhen you're ripe
You'll bleed out of control
You'll bleed out of controlWhen you're ripe
You'll bleed out of control
You'll bleed out of control
