

You've Been a Friend to Me

Bryan Adams

if you say up - i say down
we're the most unlikely pair
but up or down, high or low
you've always been right there you've been a friend to me, a godsend to me
i ain't too proud to say
you've been a friend to me now if i'm feeling low
or feeling ten feet tall
thick or thin, the shape i'm in
don't matter to you at all you've been a friend to me, a godsend to me
i ain't too proud to say
you've been a friend to me whenever I needed someone
you're right there on the line
with a friend like you, to get me through
i'll get by every time whenever I needed someone
you're right there on the line
with a friend like you, to get me through
i'll get by every time you've been a friend to me, a godsend to me
i ain't too proud to say
you've been a friend to me
