

Wolves In Wolves Clothing

NOFX

We are Rome, Aztec Mexico, Easter Island paradigm
We are followers of Jimmy Jones, cutting in the kool-aid line
We are Animal Farm Pigs, we are a Terry Gilliam
film
We are fear Oligarchy, we are wolves in wolves' clothing, we are this planet's kidney stones
In the process of getting passed, metamorphosis from first to last
A system breaking down beyond repairs
A product of three million millionaires and 100 million easy marks
We are Marie Antoinette, we are Joseph
McCarthy
We've finally become the divided states
A nation built on freedoms, fears, and hates, the denotaion of Irony
