# This Is The Truth

## [Lazyboy](Lazyboy)

[ Chorus: ]
One life, one shot, one move, one God
This is the truth yeah
Word up for the lazy boy
Word up for the lazy boy
This is the truthYou don't win silver you lose gold
Stop earning the right to be
You won the day you were born
If you don't know what direction you should take
You don't know where you areSuccess is a matter of luck, ask any failure
Never let a fool kiss you, or let a kiss fool you
We are born naked, wet and hungry
Then things get worseYour success is measured by your ability to finish things
Skepticism is the beginning of failure
Forgive your enemies, but never forget their names
There is no such thing as right or wrong
Only consequences[Chorus]All men are born equal
But quite a few get over it
We are the people our parents warned us about
Sometimes I think the sure sign that life exists elsewhere in the universe
Is that that none of them tried to contact usBe nice to nerds
Chances are you'll end up working for one
Do not get mad with others
Because they know more than you
It is not their fault
If you do not change your beliefs
Your life will always be like thisFantasy is as important as wisdom
Do not try to satisfy everyone
The biggest lie you can tell yourself is
When I get what I want I will be happy[ Chorus ]Don't take life too seriously, you won't get out alive
It maybe your sole purpose in life
Is to serve as a warning to others
Life is shorter than expected
What you're willing to accept is exactly what you're going to get
You have control without being controlledCreativity is great but plagiarism is faster
You are the very reason why everything happens to you
Someone said to Voltaire life is hard
Voltaire replied compared to what?[ Chorus ]One life
One god

Word up for the lazy boy
This is the truth
