Necromantic

Otep

The evil that's between us
The evil that's between us
The evil that's between us
Greedy
Needy
The evil that's between us
Greedy
Needy
Self-deceiving
So demeaning
The evil that's between us
The evil that's between us
Greedy
Needy
The evil that's between us
Greedy
Needy
Self-defeating
So demeaning
The evil that's between us
