

You Take My Breath Away

[Eva Cassidy](#)

Sometimes it amazes me
How strong the power of love can be
Sometimes you just take my breath away
You watch my love grow like a child
Sometimes gentle and sometimes wild
Sometimes you just take my breath away
And it's too good to slip by
Too good to lose
Too good to be there just to use
I'm gonna stand up on a mountain top
And tell the news
That you take my breath away
Sometimes it amazes me
How strong the power of love can be
Sometimes you just take my breath away
Your beauty is there in all I see
And when I feel your eyes on me
Oh, don't you know you just take my breath away
And it's too good to slip by
Too good to lose
Too good to be there just to use
I'm gonna stand up on a mountain top
And tell the news
That you take my breath away
And it's too good to slip by
Too good to lose
Too good to be there just to use
I'm gonna stand up on a mountain top
And tell the news
That you take my breath away
Oh yes, you take my breath away
