

For the Lamb

Elevation Worship

On a shameful day he died
And the sorrow of the fog
But forgiveness was His cry
As His blood ran down for me

How the Father's heart was torn
As His only son was
But the Earth would soon rejoice
From the place where hope was lay

Sing this church

For the lift has overcome
And the lasting love has won
An eternal praise we are lifted up
For the lamb has overcome the world

That spirit will are raise
To the fullness of new life
And the moment will be change
And forever glory thy

For the lift has overcome
And the lasting love has won
An eternal praise we are lifted up
For the lamb has overcome the world
