

Tristan

Patrick Wolf

I am the tragedy
And the heroine
I am lost And I am rescuing The storm is come
And I am following My name is Tristan
And I am alive Forever young
I come from God knows where
'Cos now Im here
Without a hope or care I am trouble
And I am troubled too My name is Tristan
And I am alive Sorrow by name
And sorrow by nature
Working for joy
On overtime Stuck on a line
Of misadventure
I fear no crime I am the victim
And the murderer
You speak of love
But Ive never heard of her I am fucked
And I am fucking too My name is Tristan
And I am alive
