

# Need-a-Man Blues

Donna Summer

Another Monday morning  
Another five day week ahead  
Such a lonely weekend  
Sleeping in a half filled bedGot those need-a-man blues  
I need a man so bad  
Got those need-a-man blues  
And it's driving me madAll the evening people  
Dressing up just to get undressed  
And me I'm stuck at home  
Losing more and gaining lessGot those need-a-man blues  
I need a man so bad  
Got those need-a-man blues  
And it's driving me madEmptiness inside  
Empty as a glass in my hand  
Whiskey friend of mine  
Help me make it easy withoutGot those need-a-man blues  
I need a man so bad  
Got those need-a-man blues  
And it's driving me mad
