

# Hippolyte's Habitat (Qui Moun' Qui)

**Jimmy Buffett**

Swing my cutlass at the tall grass  
And anything that gets in my way  
That's my job here, let's be quite clear  
Working is how I spend my day  
Scary? verrry I can instill some fear  
Owners don't know this is my show  
I've seen them all disappear

Chorus  
Who's the boss man?

Surely ain't dat paperman

I'm the only boss around

Who's the boss man?

Surely ain't dat white man

I'm de only boss in town

Creole  
Qui moun' qui, patron la c' pa blanc la ce moin'

Qui moun' qui, patron la c' pa blanc la ce moin'

But my work waits, please the ingrates

They're all a part of my plan
