Outta Here

Kenny Chesney

Lets leave town on a permanent vacation
Lock up the house pack up the station wagon
Make paradise our final destination
As long as we're outta here
There ain't no time like the present they say
Lets cruise all the way down A1A
Put the top down and catch a few rays
Baby we'll be outta here
Anywhere you want to go
As long as it's sunny weather
Let the time fly by I don't mind
As long as we're together
South of the border there's a place I know
Where James Taylor sang about Mexico
And the suns so hot we'll forget to go home
Baby we'll be outta here

Anywhere you want to go
As long as it's sunny weather
Let the time fly by I don't mind
As long as we're together
Maybe drive to the country
Down to the lake see if the
Catfish are jumping set our bait
And if we come up dry we'll just sleep in late
At least we'll be outta here
As long as we're outta here
Baby lets get outta here
Outta here
Come on baby lets get outta here
Cruise down A1A
Go hang out in Key West for a little while
