

# Jesus and Gravity

## Dolly Parton

Iâ€™m to the point where it donâ€™t add up,  
I canâ€™t say Iâ€™ve come this far with my guitar on pure dumb luck,  
Thatâ€™s not to say I know it all,  
â€˜Cause every time I get too high up on my horse I fall.  
â€˜Cause Iâ€™ve got

Somethinâ€™ lifting me up,  
Somethinâ€™ holding me down  
Somethinâ€™ to give me wings and  
Keep my feet on the ground,  
Iâ€™ve got all I need,  
Jesus and gravity!

But Iâ€™m as bad as anyone,  
Taking all these blessings in my life for granted one by one,  
When I start to thinkinâ€™ itâ€™s all me,  
Well, somethinâ€™ comes along and knocks me right back on my knees,  
And Iâ€™ve gotâ€™

Somethinâ€™ lifting me up,  
Somethinâ€™ holding me down  
Somethinâ€™ to give me wings and  
Keep my feet on the ground,  
Iâ€™ve got all I need,  
Jesus and gravity!

Heâ€™s my friend  
Heâ€™s my light  
Heâ€™s my wings  
Heâ€™s my guide

And Iâ€™ve got  
Somethinâ€™ lifting me up,  
Somethinâ€™ holding me down  
Somethinâ€™ to give me wings and  
Keep my feet on the ground,  
Iâ€™ve got all Iâ€™ll ever need,  
I got Jesus, I got Jesus, I got

Somethinâ€™ lifting me up,

Somethinâ€™ holding me down  
Somethinâ€™ to give me wings and  
Keep my feet on the ground,  
Iâ€™ve got all Iâ€™ll ever need,  
â€Cause Iâ€™ve got Jesus and gravity,

O-o-oh Iâ€™ve got  
Somethinâ€™ lifting me up,  
Somethinâ€™ holding me down  
Somethinâ€™ to give me wings and  
Keep my feet on the ground,  
Iâ€™ve got all Iâ€™ll need,  
â€Cause Iâ€™ve got Jesus and gravity,

Jesus, Iâ€™ve got Jesus, Iâ€™ve got Jesus  
Heâ€™s my everything  
He lifts me up  
He gives me wings  
He gives me hope  
And he gives me strength  
And thatâ€™s all Iâ€™ll ever need

As long as He keeps lifting me up  
He is my life  
He is my God  
He is my wings  
He is my flight  
Lift me, Iâ€™ve got Jesus, Iâ€™ve got Jesus,  
And thatâ€™s all I need!
