## Roc the Life

## Rita Ora

My way in London, Americana

The persona, it's primadonna

Kick a motherfucker to the cizzurb

You think you crazy, I'm berserkI'm off the chain, you gotta love it

I can't express enough, how bad I want it

Maybe one day, I wanna be there

Beyond the stars, like a zillionaireI brought my clique up in here

Put them diamonds in the air

You can hate this all you want

But we gon' take this everywhereDon't pay them, no never mind

You're just a waste of time

Baby watching from the sidelineWhile I roc the life li li la la li li life

While I roc the life li li la la li li life

While I roc the lifeI see the lights, see the money

Super glamorous

Fresh off the runway

Wanna be infamousNotorious as directed

According to us, whisky nights

Gettin' it in to tear blowing money fast

Get it againMaybe one day I'll live there

Beyond the stars

Like a zillionaire

I brought my clique up in here

Now put your diamonds in the air

You can hate this all you want

But we gon' take this everywhereDon't pay them, no never mind

You're just a waste of time

Baby watching from the sidelineWhile I roc the li li la la li li life

While I roc the li li la la li li life

While I roc the li li la la li li life

While I roc the li li la la li li life

While I roc the lifeOh oh, we're gon' make this day last forever

Oh oh, I'll make this the night to remember

No surrenderWrite my name on stars

So you can see it

Wherever you are

Please believe it

I'mma take it all

Ain't gonna stop

Until I fall fall fall Write my name on stars

So you can see it

Wherever you are

Please believe it

I'ma take it all

Ain't gonna stop

Until IOh, I wanna roc the life

While I roc the life li li la la li li life

While I roc the life li li la la li li life

While I roc the life li li la la li li life

While I roc the life li li la la li li life

While I roc the life
