Kick & Curse

Team Me

the bubble burst and i'm so sorry
couldn't play out my part
too scared to follow my heart
so here i am by the floodgates
so much easier to leave than be left all alone
i spent days in a fever
the chemical night gave me a ruthless feeling
so here i am by the floodgates
so much easier to leave than be left all alone
and knock me to my knees now i'm on the floor
with a pack a wolves outside my door
and knock me to my knees now i'm on the floor
with a pack a wolves outside my door
and knock me to my knees now i'm on the floor
with a pack a wolves outside my door
sleepless nights left me begging
for you to come back
for you to give me comfort
i'll kick and curse
for what it's worth
i'll even admit that i was wrong to let you go
and knock me to my knees now i'm on the floor
with a pack a wolves outside my door
and knock me to my knees now i'm on the floor
with a pack a wolves outside my door
and knock me to my knees now i'm on the floor
with a pack a wolves outside my door
and knock me to my knees now i'm on the floor
with a pack a wolves outside my door
