

# Loverman (feat. Priscilla Renea)

## Train

All night long I'll wait for my loverman  
Wait for my loverman  
Wait for my loverman  
All night long I'll wait for my loverman  
'Cause only my loverman can I been out to sea so long, that I'm not sure if she still wants me  
Sure if she still loves me  
Sure if she's still there Will I see her light?  
Will it reach out and find me across the starry sky?  
Will she play our song when I get home?  
Baby, put that record on All night long I'll wait for my loverman  
Wait for my loverman  
Wait for my loverman  
All night long I'll wait for my loverman  
'Cause only my loverman can Since I wandered off the grid, I been tryna' find my way back  
Tryna' catch a wave, Jack  
To my lover girl Will I see her light?  
Will it reach out and find me across the starry sky?  
Will she play our song when I get home?  
Baby, put that record on All night long I'll wait for my loverman  
Wait for my loverman  
Wait for my loverman  
All night long I'll wait for my loverman  
'Cause only my loverman can Make you happy, make you smile  
Make you feel like you ain't felt in a while  
Make you breakfast, make you proud  
Make you feel like you could float on a cloud Will I see her light?  
Will it reach out and find me across the starry sky?  
Will she play our song when I get home?  
Baby, put that record on All night long I'll wait for my loverman  
Wait for my loverman  
Wait for my loverman  
All night long I'll wait for my loverman  
'Cause only my loverman can When he gets here, I'm gonna let him know  
I'm gonna tell him, so  
What a lover girl is for  
All night long I'll wait for my loverman  
'Cause only my loverman can
