

# MDMA

## Gino Bonazzi

I've been partying all week  
And I haven't been sleep  
And I can't feel my feet  
I've been jumping around,  
Dancing on the street  
And I don't wanna speak  
Just pour me a drink and just give it to me  
I can spit like this as well on a beat  
You will hear this and just dab on the street  
DAB  
I'll make you dab in the street  
DAB  
MDMA in my drink  
I do not wanna be sick in the sink  
Do what you want just don't give it to me  
I really don't wanna be where you be  
Leave me in peace  
Please let me breathe  
I cannot see  
I need to go home and I need to go sleep  
Shall I turn my phone off?  
I can't turn my phone off  
Cuz gyal wanna take my clothes off  
So more time I can't go sleep I need to wake up  
Mandem are ringing my phone like wake up

So many things that are going on  
I don't wanna be the one missing out  
I'm never gonna be no tagalong  
I do me just me now look at me now  
Cuz there's so many things that are going on  
I don't wanna be the one missing out  
I'm never gonna be no tagalong  
I do me just me now look at me now  
LLLook at me now I do me just me now look at me now  
LLook at me now I do me just me no look at me now

I just do me  
Only me

I'm never gonna do u, I always do me  
Cuz I realised everybody's too snakey  
That's not me  
Serious JME  
I'm telling you your not telling me  
I roll with dogs that are pure pedigree  
If you try and harm me they will bite enemies  
It's best that you stay away from me  
Stay away from me  
Its best that you stay away from me  
You're nothing like me stay away from me  
You're not family stay away from me  
But, if you're gonna be around me round me  
Only good vibes round me round me  
You'll have a good time round me round me  
You're never gonna wanna leave me  
You're never gonna wanna leave me  
You're never gonna wanna beef me  
Its long for you and for me  
When you gonna wake up up and see  
You're never gonna be like me  
And I'm never gonna be like you  
Its long for me and for you  
There's so many things that I need to do  
Anyway back to the MDMA  
DAB  
I don't take MDMA  
DAB  
But I got friends that will have a DAB  
I got friends that will have a DAB  
DAB,DAB,DAB,DAB  
Party animals yh they get so mad  
They're like animals yh they get so mad  
Mad,mad,mad,mad  
People think that I take MDMA  
People think that I'm still sup everyday  
Cuz my energy is high everyday  
I'm like a puppy I just wanna play  
I feel like I play like I just fly away  
I might run you over please stay out my way  
Where did you go to and what did you say  
Listen to the words that I say  
DAB  
Get out my way when I DAB  
When you hear this tune everyone DAB

If you don't like this then you're so sad  
Its not my fault that I got things that you wish that you had  
MADD
