

Nothing's Gonna Change

Jamie Lidell

Nothing's gonna change
As in, nothing's gonna change
'Cause when it comes to you
My feelings stay the same, a-a-ah
Nothing's gonna change
As in, nothing's gonna change
'Cause when it comes to you
My feelings stay the same, oh they stay the same
Did we make it this far? (Ooh-whoa-oh)
Did we make it through storms? (Ooh-whoa-oh)
Did we stick together? (Ooh-whoa-oh)
Did we keep those promises? Oh, ahh
Nothing's gonna change (won't change)
As in, nothing's gonna change (won't change)
'Cause when it comes to you (won't change)
My feelings stay the same, a-a-ah (won't change)
Nothing's gonna change (won't change)
As in, nothing's gonna change (won't change)
'Cause when it comes to you (won't change)
My feelings stay the same, oh they stay the same
Did we pass through times of trouble? (Ooh-whoa-oh)
Didn't we learn to let go of the pain? (Ooh-whoa-oh)
Did we get beyond goodbyes? (Ooh-whoa-oh)
Did we choose to keep it all, ahh
Nothing's gonna change (won't change)
As in, nothing's gonna change (won't change)
'Cause when it comes to you (won't change)
My feelings stay the same, a-a-ah (won't change)
Nothing's gonna change (won't change)
As in, nothing's gonna change (won't change)
'Cause when it comes to you (won't change)
My feelings stay the same, oh they stay the same
Nothing's gonna change (won't change)
As in, nothing's gonna change (won't change)
'Cause when it comes to you (won't change)
My feelings stay the same, a-a-ah (won't change)
Nothing's gonna change (won't change)
As in, nothing's gonna change (won't change)
'Cause when it comes to you (won't change)

My feelings stay the same, oh they stay the same (yeah)
