Biscuit (Mike Rizzo Funk Generation Club Mix)

Ivy Levan

Hold up
Hold up
Hold upLet me make one thing clear
If you wanna keep on runnin' your mouth
Wastin' my time
Then here's what you gotta doGo on give it a kissThis pot's a-boilin' up
Don't press, press your luck
Run you down like a pick-up truck
Cause I'm a freak without warningDon't make me raise a hand
Drop bombs, Afghanistan
Don't fuck with the master plan
Can't say I didn't warn yaI think you might have missed it
I think you got it twisted
When I told you to kiss it
My biscuit, my biscuitI think you might have missed it
I think you got it twisted
When I told you to kiss it
My biscuit, my biscuitGo on give it a kissWho you is tryin' to fool?
Don't broke with the golden rule
You know honey that shit ain't cool
You can't tell me nothin'You be a parasite
Roll you like a pair of dice
Serve you up, red beans and rice
Yeah I thought I done told yaI think you might have missed it
I think you got it twisted
When I told you to kiss it
My biscuit, my biscuitI think you might have missed it
I think you got it twisted
When I told you to kiss it
My biscuit, my biscuitGo on give it a kissI see you baby
Creepin' on me
Creepin' on me
I'm-a put you to sleepIt on the daily
They checkin' on me
Lookin' on beat
Let me tell you what you needI think you might have missed it baby
I think you got it twisted baby
My biscuit, biscuitI see you baby
Creepin' on me

Creepin' on me
I'm-a put you to sleep nowIt on the daily
They checkin' on me
Lookin' on beat
Let me tell you what you need now
