

All The Garden Birds

Palma Violets

Doll you shot me down
Down shot me a doll
All the garden birds
All you need is love

Darling
All the garden birds
All you need is love
And i donâ€™t think I can have
I donâ€™t think I can have
Check it
I donâ€™t think I can have
Check it
I donâ€™t think I can have

All my friends were the an all of the garden
All my friends were the an all of the garden
All my friends were the an all of the garden
All my friends were the an all of the garden
