Katerine

I beg your pardon, were you talking to me?
How many more times are you gonna tell you're sorry?
Before you take me up in my misery
I need more than apologyWell, I guess I did
But I guess I won't
Well, I guess that I could now
But I guess I won'tOh, what's goin' on?
Is that the way you wanna be?
What's goin' on?
So tell meI beg your pardon, were you talking to me?
How many more times are you gonna tell you're sorry?
Before you take me up in my misery
I need more than an apologyWell, I guess I did
But I guess I won't now
Well, I guess that I should
But I guess that I won'tOh, what's goin' on?
Is that the way you wanna be?
What's goin' on?
So tell me
