

Champagne Supernova (Brendan Lynch Mix)

Oasis

How many special people change?
How many lives are living strange?
Where were you while we were getting high?
Slowly walking down the hallFaster than a cannonball
Where were you while we were getting high?
Someday you will find me
Caught beneath the landslideIn a champagne supernova in the sky
Someday you will find me
Caught beneath the landslide
In a champagne supernovaA champagne supernova in the sky
Wake up the dawn and ask her why
A dreamer dreams, she never dies
Wipe that tear away now from your eyeSlowly walking down the hall
Faster than a cannonball
Where were you while we were getting high?
Someday you will find meCaught beneath the landslide
In a champagne supernova in the sky
Someday you will find me
Caught beneath the landslideIn a champagne supernova
A champagne supernova
'Cause we don't believe
That they're gonna get away from the summerBut you and I will never die
The world's still spinning around we don't know why
Why-why-why-why-i-iHow many special people change?
How many lives are living strange?
Where were you while we were getting high?
Slowly walking down the hallFaster than a cannonball
Where were you while we were getting high?
Someday you will find me
Caught beneath the landslideIn a champagne supernova in the sky
Someday you will find me
Caught beneath the landslide
In a champagne supernovaA champagne supernova
'Cause we don't believe
That they're gonna get away from the summer
But you and I will never dieThe world's still spinning around we don't know why
Why-why-why-why-i-iHow many special people change?
How many lives are living strange?
Where were you while we were getting high?

We were getting high
